

2021 KELLY FLEMING SAUVIGNON BLANC

The Kelly Fleming Sauvignon Blanc incorporates 48% Sauvignon Musque (an aromatic clone of Sauvignon Blanc) fruit from the Kick Ranch Vineyard in cool, coastal Sonoma County, along with 52% Sauvignon Musque from Ryan's Vineyard, a sweet spot tucked away in the sunny yet cool, Oak Knoll AVA in Napa Valley. The wine is aged in 60% stainless Steel and 40% neutral French Oak for approximately 6 months

TASTING NOTES: The 2021 Sauvignon Blanc has bright aromatics of white peach, honeydew melon, and citrus blossom and evolve at first pour followed by notes of grapefruit and lime. Vibrant acidity gives way to a dry, slate minerality which envelopes in the glass and uncovers flavors of lemon and pear with a subtle saline characteristic leaving you thirsty for another sip.
