

2020 KELLY FLEMING SAUVIGNON BLANC

The 2020 vintage of Kelly Fleming Sauvignon Blanc incorporates 33% Sauvignon Musque (an aromatic clone of Sauvignon Blanc) fruit from the Kick Ranch Vineyard in cool, coastal Sonoma County, along with 67% Sauvignon Musque from Ryan's Vineyard, a sweet spot tucked away in the sunny yet cool, Oak Knoll AVA in Napa Valley.

TASTING NOTES: The 2020 Sauvignon Blanc bursts forth from the glass with complex aromas of white peach, jasmine blossom and a hint of fennel seed. The palate is smooth and sophisticated, with viscosity and depth that is balanced by subtle, fresh saline notes. Layered with intriguing flavors of Tuscan melon, yellow peach, and just a trace of white pepper, this wine has charm and elegance that blossoms over time as the wine warms in the glass.
